and produced in the manufacturing plant:
Earp Engineering Ltd
 Unit 5
 Junction Road
 Bow, Crediton
 Devon
 EX17 6HN

This Certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s):

EN 1090-1 : 2009 + A1 : 2011

under system 2+ for the performances set out in this certificate are applied and that the factory production control fulfils all the prescribed requirements for these performances.

This Certificate was first issued on 21 May 2014 and remains valid for as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the construction product, and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the factory production certification body.
